

SUPPLEMENTAL BID BULLETIN

NOTICE TO BIDDERS

Bidders are hereby respectfully informed of the amendments, revisions, modifications and clarifications to the Bidding Documents of the Public Bidding for the **PROCUREMENT OF SECURITY SERVICES FOR FY 2022 WITH PID NO. 2021-017** that was posted in the PhilGEPS and the Academy's Website on October 15, 2021.

In compliance with the Revised Implementing Rules and Regulations of RA 9184, the information provided for shall form an integral part of the pertinent Bidding Documents and related Contract. Further, acknowledgement and receipt of this supplemental bid bulletin shall bound the bidder/s of the terms and conditions set forth, otherwise the nonconformity thereof may consider the bid as nonresponsive to the bidding policies. Consequently, the same may result in the disqualification and/or rejection of the concerned bidder's Bid.

In any instance, receipt of this Supplemental Bid bulletin by the bidders presupposed that in the course of their preparation of their respective bids, they have understood and complied with the amended and revised provisions and regulations expressed herein.

Section VII. Technical Specifications

This Supplemental Bid Bulletin is issued to supplement the project's Technical Specifications and to provide clarity to the question of the bidders which was raised in the last Pre-Bid Conference.

Attached in this Supplemental Bid Bulletin is the revised Technical Specifications. Any provision in the said Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.

Issued this 2nd day of November, 2021.

Technical Specifications

Item	Specification	Statement of Compliance
		<p><i>[Bidders must state here either “Comply” or “Not Comply” against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of “Comply” or “Not Comply” must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer’s un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder’s statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.]</i></p>
